

Southern Wetland Working Bee

Parkland Dr off Porters Lane, Maleny Precinct

Wednesday 29th November 2017, 8:30 – 10:30am

Join us to help plant another section and tackle those sprouting weeds.

Morning tea, gloves and equipment for planting provided.

Please wear sturdy enclosed footwear and bring along your water bottle.

Register your interest to attend this working bee or future volunteer activities at the Wetland.

Contact Nadia Joyce, Community Nature Conservation Officer
